EDUBASE CLOUD STRUCTURE

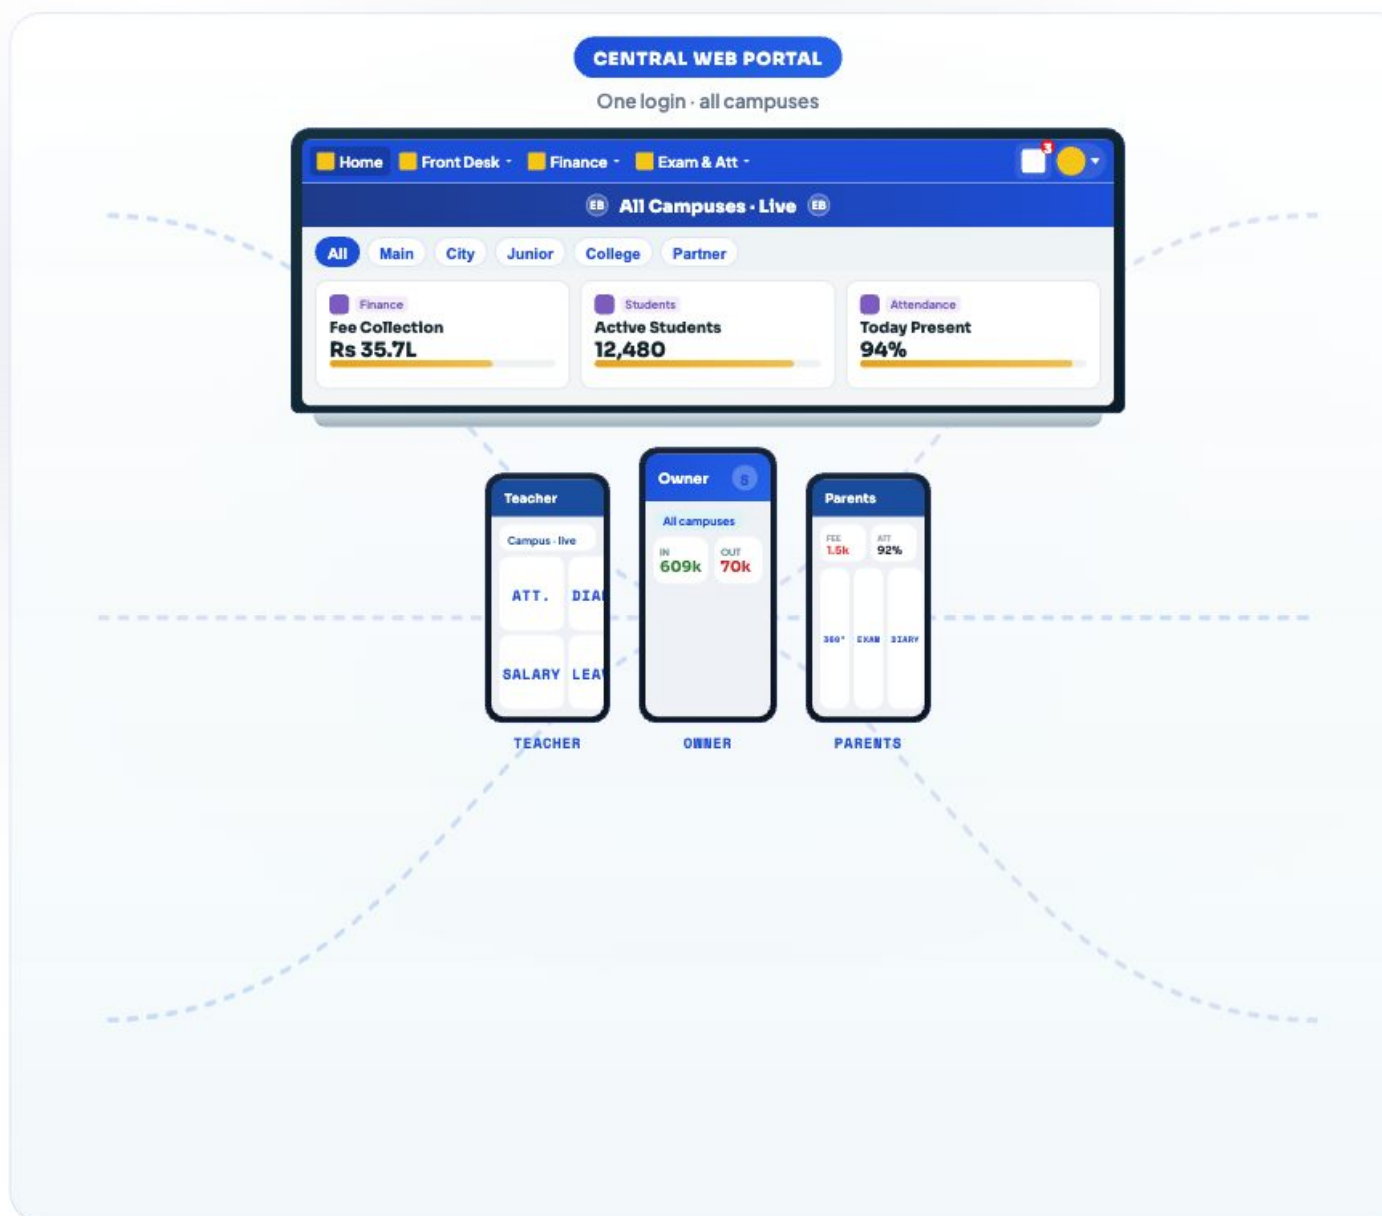

One screen for your whole school — fees, staff, classes and apps linked together.

ONE SYSTEM, EVERY CAMPUS CONNECTED

Every branch feeds one web portal — fees, attendance and reports stay live for head office.

WHY EDUBASE CLOUD

Built for school owners and principals — less paperwork, more teaching time.

More time for education

Admin work drops so teachers and owners focus on students.

Teaching 60% → 90% Paperwork 40% → 10%

AI that helps daily

Ask questions in English or Roman Urdu. Auto fee reminders. Face Attendance at the gate.

Parents pay at any bank

HBL, Alfalah, Meezan, PayPro, KuickPay — payment posts into EDUBase automatically.

Free apps for everyone

Parents, teachers and owners on Android — plus QR and Face Attendance apps.

No installation headaches

Cloud hosted and backed up. One database per school. Updates arrive automatically — nothing to install on office PCs.

CORE FEATURES

Ten strengths that run through the module sequence — from Front Desk to Communication.

**Easy screens**

Staff learn the portal in days, not weeks.

**AI helpers**

Assistant, automation and Face Attendance.

**Cloud & safe**

Hosted, backed up — nothing to install.

**Mobile access**

Free Android apps for every role.

**Print & Excel**

Import/export and branded PDFs.

**Everything in one place**

Fees, exams, attendance and HR together.

**Fee collection**

Plans, challans, banks and family pay.

**Strong security**

Roles, privileges and activity log.

**Face Attendance**

Gate recognition on a normal tablet.

**Banks & messaging**

SMS, WhatsApp, biometric and QR gates.

Front Desk & Visitor Management

Register visitors, check them in and out at the gate, book meetings, and issue student exit passes — with traffic reports.

[Register](#) [Gate Entry](#) [Meetings](#) [Exit Pass](#) [Reports](#)

- **Register Visitor** Name, purpose, whom to see, and office routing.
- **Gate Entry** Security check-in and check-out with times logged.
- **Visitor Meetings** Book principal/teacher meetings and record outcomes.
- **Student Exit Pass** Allow early leave with collector and time noted.
- **Dashboard & Reports** Visitor counts, purpose and duration.

The screenshot displays the 'portal.edubaseems.com' interface. The top navigation bar includes links for Home, Front Desk, Administration, Campus, Personnel, Exam & Assn, Library, General, Contact, Exam, HRM, Admission, Exam, Messages, Support, and a user profile. The main content area is titled 'Front Desk - Visitor Dashboard' and includes a 'New Visitor' and 'Gate Entry' button. A section titled 'Today at a glance' provides a summary of visitor activity, including a 'Traffic now' and 'Waiting meetings' section. Below this, a grid of cards shows various metrics: 'Visitors today' (0), 'Gate entry' (0), 'Checked out' (0), 'Waiting meetings' (0), 'Scheduled today' (0), and 'Completed' (0). A 'Student leave & short leave - today' section follows, showing metrics for 'Short leave' (0), 'Mid-day' (0), 'Not done' (0), and 'Medical' (0). The bottom status bar indicates 'Upcoming - next hour' (Nothing in the next hour), 'Delayed - past their time' (Nothing is running late), and 'Waiting on campus' (Nothing is waiting).

ADMISSIONS • PROFILES • PROMOTIONS

Student Management

From inquiry to enrollment, sibling links, class promotions and live strength — the student record every other module uses.

Admissions **Profiles** **Siblings** **Promotions** **Strength** **ID cards**

- **Admissions** Inquiry to enrollment with documents and sibling links.
- **Student profiles** Class, section, contacts and history in one place.
- **Promotions & strength** Session promotions and class-wise strength reports.
- **Cards & certificates** Branded ID cards and letters from your templates.

The screenshot displays the EDUBase Cloud Training Institute Lahore dashboard. The top navigation bar includes links for Home, Front Desk, Admissions, Extras, Finance, and a More menu. Below this, a secondary bar shows Admissions, Student Profile, Promotions, Strength, ID Cards, and Certificates. The main content area features three widgets: 'New Admissions' (38 this month), 'Active Strength' (1,204 students on roll), and 'Promotions' (Ready for next session draft). Each widget has an 'Expand' button and an 'Open report' link. A '+ Add widgets' button is located in the top right corner of the widget section. The bottom of the dashboard is a large, empty light blue area.

PLANS • CHALLANS • COLLECTIONS

Fee Management

Fee plans, bulk and installment challans, family pay and discount approvals — collections without spreadsheet chaos.

[Fee plans](#) [Bulk challans](#) [Installments](#) [Family pay](#) [Defaulters](#) [Discounts](#)

- **Fee plans** Class and package plans with arrears carry-forward.
- **Challans** Bulk, installment and family challans with print and WhatsApp.
- **Collections & defaulters** Day-wise paid, pending and reminder workflows.
- **Approvals** Discount and waive requests with owner control.
